COURSES ORGANIZED

1986

December Postgraduate course on Functional Endoscopic Sinus Surgery.
Amsterdam, The Netherlands.
Director.

1989

October International Course on Open approach for Septo-rhinoplasty.
Maastricht, The Netherlands.
Co-director T.D. Zijlker.

1991

October International Course on Facial Plastic and Reconstructive Surgery.
Maastricht, The Netherlands.
Co-director T.D. Zijlker.

October Workshop on Facial Soft Tissue Surgery
Maastricht, The Netherlands.
Co-director T.D. Zijlker.

1993

September Facial soft tissue surgery, a postgraduate course.
Blaricum, the Netherlands

1994

April Facial plastic surgery, master class. Prof. C. Walter.
Blaricum, the Netherlands

1995

January Plastic and reconstructive surgery of the auricle. International Symposium.
Amsterdam, the Netherlands
co-director G. Nolst Trenite, R. Tange

March Open structure rhinoplasty, update.
Nijmegen, the Netherlands
co-director G. Wielinga.

1996

June New trends, controversies and perspectives in nasal septum and nasal valve surgery.
Maastricht, the Netherlands.
co-director T.D. Zijlker

LECTURES PRESENTED**1982**

November Dutch Otolaryngology Head and Neck Surgery Society.
Groningen, The Netherlands.
Topic: Inverted nystagmus with calorimetry.
H.D. Vuyk, W. Bles, L. Feenstra.

1984

May Dutch Otolaryngology Head and Neck Surgery Society
Maastricht, The Netherlands.
Topic: Results and complications of surgical voice rehabilitation after total
laryngectomy and Staffieri's procedure.
H.D. Vuyk, R.M. Tiwari, G.B. Snow.

1987

May Joint meeting of Midland Institute of Otology, South Western
Laryngological Association and Department of Otolaryngology, Head and
Neck Surgery. Free University Hospital,
Amsterdam, The Netherlands.
Topic: Functional endoscopic sinus surgery.

1988

November Dutch Otolaryngology, Head and Neck Surgery Society.
Maastricht, The Netherlands.
Topic: External Rhinoplasty.
T.D. Zijlker, H.D. Vuyk.

1989

May Course on Open approach for Septo-rhinoplasty.
Maastricht, The Netherlands.
Topic: Surgical treatment of nasal septal perforations.
H.D. Vuyk, T.D. Zijlker.

May Dutch Otolaryngology, Head and Neck Surgery Society.
Utrecht, The Netherlands.
Topic: Rhinoplasty: pre-operative analysis

October Post-graduate Course Otolaryngology.
Topic: Otoplasty techniques.

1991

October Dutch Committee Facial Plastic and Reconstructive Surgery.
Maastricht, The Netherlands.
Topic: Shield grafts in tip surgery.

October International course on Facial Plastic Surgery.
Maastricht, The Netherlands.

Topic: Pre-operative assessment and planning of Rhinoplasty.

October International course on Facial Plastic Surgery.
Maastricht, The Netherlands.

- October Topic: Facial skin defect closures.
International course on Facial Plastic Surgery.
Maastricht, The Netherlands.
- November Topic: Reflections on suture otoplasty.
Dutch Otolaryngology, Head and Neck Surgery Society.
Amsterdam, The Netherlands.
- November Topic: Tip grafts in Rhinoplasty.
H.D. Vuyk, T.D. Zijlker.
Rhinoplasty course.
Münster, Germany.
- November Topic: Tipgrafts in rhinoplasty.
Grand Rounds.
Gooi Noord Hospital, Blaricum, The Netherlands.
- December Topic: Rhinoplasty pre-surgical analyses and planning.
University of Nijmegen, The Netherlands.
Guest lecture.
Topics: Rhinoplasty pre-surgical analyses and planning. Tipgrafts in
rhinoplasty.
- 1992**
- May Dutch Otolaryngology, Head and Neck Surgery Society.
Maastricht, The Netherlands.
Topic: Alar base narrowing.
H.D. Vuyk, P. Olde Kalter.
- June Committee Facial Plastic and Reconstructive Surgery,
Amsterdam, The Netherlands.
Topic: Aesthetic sequelae of the cartilage columella strut.
- October Postgraduate Course Otolaryngology.
Topic: Facial skin defect closures.
- 1993**
- June Sixth International Symposium of Facial Plastic Surgery.
San Francisco (U.S.A)
Topic: Cartilage spreader grafts, functional and cosmetic aspects.
- September Facial Soft Tissue Surgery. Postgraduate Course.
Blaricum the Netherlands.
Topic: Nasal reconstruction after tumour surgery.
- September Facial Soft Tissue Surgery. Postgraduate Course.
Blaricum the Netherlands.
Topic: Auricular reconstruction after tumour surgery.
- September International course on functional and aesthetic surgery of the nose.
Rotterdam, the Netherlands.
Topic: Cartilage spreader grafts, lateral augmentation of the middle third of
the nose.
- September Committee Facial Plastic and Reconstructive Surgery.
Rotterdam, The Netherlands.
Topic: Otoplasty: a graduated approach.

- November Dutch Otolaryngology, Head and Neck Surgery Society,
Rotterdam, The Netherlands.
Topic: Suture tip plasty, evaluation of 100 patients.
- 1994**
- September First International Course on Rhinoplasty, Amsterdam, the Netherlands.
Topic: The external rhinoplasty approach.
- September European Academy of Facial Surgery, London, England.
Topic: The external approach and the use of spreader grafts.
- October Postgraduate course Otolaryngology.
Topic: Chin augmentation.
- October Free University of Amsterdam, The Netherlands. Guest lecture.
Topic: Revision rhinoplasty: analysis and treatment.
- 1995**
- January Grand Rounds Gooi Noord Hopsital.
Blaricum, the Netherlands.
Topic: Facial Plastic and Reconstructive Surgery; The Otolaryngologist's perspective.
- January International Symposium Plastic and Reconstructive Surgery of the Auricle.
University of Amsterdam.
Topic: Auricular reconstruction after tumour surgery.
- March Committee Facial, Plastic and Reconstructive Surgery.
University of Nijmegen.
Topic: Nasal trauma and scarring.
- March Open Structure Rhinoplasty, update
University of Nijmegen.
Topic: Total nasal dorsal augmentation; autogenous or alloplastic material?
Topic: Nasal tip projection changes: an objective appraisal.
- May Dutch Otolaryngology, Head and Neck Society.
Groningen, the Netherlands.
Topic: A graduated cartilage spearing approach to otoplasty: objective long-term results.
- September International course on rhinoplasty.
Amsterdam, the Netherlands.
Topic: The external rhinoplasty approach.
Suture tip plasty.
- September Maxillofacial surgery course. Amsterdam, the Netherlands.
Topic: Rhinoplasty trends.
- September Postgraduate course E.N.T.
Marbella, Spain.
New trends in rhinoplasty: psychosocial and technical aspects.
- November Dutch Society of Otorhinolaryngology Head and Neck Surgery, Amsterdam,
the Netherlands.
Topic: A quantitative appraisal of nasal tip projection changes after open

rhinoplasty.

1996

- February Guest lecture department of Otolaryngology/Head and Neck Surgery, Nijmegen, University Hospital, the Netherlands.
Topic: reconstruction of MOHS facial defects.
- March Rhinoplasty 1996. American Academy of Facial Plastic and Reconstructive Surgery. Atlanta, USA.
Topic: Nasal scar revision
Consultation, selection and psychology of rhinoplasty patients.
- March Otolaryngology postgraduate course, Venezuela.
Topic: Otoplasty, a graduated approach
Reconstruction of MOHS facial defects
Nasal tip surgery: a practical systematic overview
- April Dutch Society of Plastic and Reconstructive Surgery, Lunteren, The Netherlands.
Topic: Nasal tip projection changes after open rhinoplasty: a quantitative appraisal.
- June Postgraduate course: New trends, Controversies and Perspectives in Nasal Septal and Nasal Valve Surgery.
Maastricht, the Netherlands
Topic: Aesthetic sequelae of septoplasty: a prospective analysis
Endonasal spreader grafts: a simplified procedure ?
- September The week of the nose
Ghent, Belgium
Topics: Aesthetic sequelae of septoplasty
Endonasal spreader grafts, preliminary results
- October Postgraduate course Dutch Otolaryngology/Head and Neck Society.
Garderen, the Netherlands
Topic: Psychosocial aspects of rhinoplasty.
- October Third International Course in Modern Rhinoplasty Techniques, Amsterdam.
Topics: Grafts in nasal surgery
Open structure rhinoplasty

1997

- January Dutch Society of Otolaryngology Head and Neck Surgery.
Haarlem, the Netherlands
Topic: Facial plastic surgery: the value of computer imaging.
- September Profile plasty and facial rejuvenation. Vevey, Switzerland.
Topic: The value of computer imaging in profile plasty
- September International Society of Dermatologic Surgery.
Amsterdam, The Netherlands
Topic: Nasal defects: how to reconstruct ?
- October Fourth International Course in modern rhinoplasty techniques
Amsterdam. The Netherlands
Topic: Grafts in nasal surgery

- October Symposium: the ultimate European experience in rhinoplasty
Amsterdam, The Netherlands
Topic: Open structure rhinoplasty: "How to prevent sequelae"
- November Dutch Society of Otolaryngology Head and Neck Surgery,
Leiden, the Netherlands
Topic: Esthetic sequelae of septoplasty: a prospective study.
- 1998**
- May Practical dissection course.
Nijmegen, the Netherlands
Topic: Local and regional flaps for nasal reconstruction
- June 7th International Symposium of the American Academy of Facial Plastic
and Reconstructive Surgery.
Orlando, USA
Topic: The asymmetric deviated nose: analysis and clinical implications of
concomitant facial asymmetry
- July International Rhinoplasty Course
Utrecht, The Netherlands
Topic: The external rhinoplasty approach.
Nasal Reconstruction
- October 4th International course in modern rhinoplasty techniques
Amsterdam, The Netherlands
Topics: Suture tip rhinoplasty
The interface between rhinoplasty and nasal reconstruction
- 1999**
- April Practical dissection course
Nijmegen, The Netherlands
Topic: Local and regional flaps for nasal reconstruction
- September Course on Facial Reconstruction.
Bologna, Italy
Topic: MOHS micrographic surgery
Auricular reconstruction
Interface between facial reconstruction and rhinoplasty
Facial reconstruction. An overview
Nasal defect reconstruction
- October 5th International Course in Modern Rhinoplasty techniques.
Amsterdam. The Netherlands
Topics: Suture tip rhinoplasty
Total nasal dorsal augmentation
- November Dutch Society of Otolaryngology Head & Neck Surgery
Groningen. The Netherlands
Topic: Rejuvenative surgery of the forehead and upper eyelid

2000

- April Practical dissection course.
Nijmegen, The Netherlands
Topic: Local and regional flaps for nasal reconstruction
Spreader graft extended applications
- May Gooi Noord Hospital, Blaricum
Topic Effective communication skills
- October Postgraduate Course ORL.
Topic: Upper and lower lid blepharoplasty techniques
- October 6th International Course in Modern Rhinoplasty Techniques.
Amsterdam, The Netherlands
Topic: Suture tip plasty
The asymmetric deviated nose
- November Dutch Society of ORL H&N Surgery.
Amsterdam, the Netherlands
Topic: The development of nasal reconstruction
- 2001**
- March International Instructional Masterclass
Milano, Italy
Topic: Rhinoplasty and nasal reconstruction interface
Total nasal augmentation
Spreader grafts in revision rhinoplasty
Tip repositioning using septal extension grafts
- April J.A. de Ru, P.J.F.M. Lohuis, H.D. Vuyk. Dutch Society of ORL
Topic: The treatment of chondrodermatitis nodularis with shaving of
cartilage alone: a retrospective analysis of 30 patients.
- September Academic Medical Center, Amsterdam guest lecture.
Topic: Mohs micrographic surgery
- September European Academy of Facial Plastic Surgery London
Topic: The interface between rhinoplasty and nasal reconstruction
- P. Lohuis, H.D. Vuyk: Goretex for dorsal augmentation
- H. Saleh, P. Lohuis, H.D. Vuyk: Mandibular resorption with chin
Prosthesis
- J.A. de Ru, P. Lohuis, H.D. Vuyk Chondrodermatitis nodularis helices
- October 7th International course on Modern Rhinoplasty Techniques. Amsterdam
Topic: Suture tip plasty

Nuances in grafting the nasal skeleton

- November Dutch society of Otolaryngology Head and Neck surgery - Amsterdam
Topic : Goretex and Dorsal Augmentation presented by Peter Lohuis
- 2002**
- May 3th International Course Reconstructive and Aesthetic Surgery of the nose and face, Nijmegen, the Netherlands
Topic : The cartilaginous part of the nasal pyramid
Transposition flaps
- May Symposium complicaties aangezichts chirurgie, Free University Amsterdam, The Netherlands
Topic: Complications in nasal surgey
- October Postgraduate Course ORL.
Topic: Secondary intention healing
- 2003**
- March Symposium on malignant facial skin cancer, University Leiden, The Netherlands
Topic: Mohs surgery
- April Dutch Society Otolaryngology Head and Neck Surgery Amsterdam, The Netherlands
Topic: Inner lining for nasal reconstruction
- May 4th International Course Reconstructive and Aesthetic Surgery of the nose and face, Nijmegen, the Netherlands
Topic : The cartilaginous part of the nasal pyramid
Transposition flaps
- June Eustachio meeting, Oegstgeest, The Netherlands
Topic: The philosophy of change and choice
- June Symposium 40 years Nasal Surgery Courses in the Netherlands
Topic: Three flaps for nasal and paranasal defects
- October Symposium Rhinoplasty a long-learning process
Topic: Cutaneous aspects of rhinoplasty

2004

May 5th International Course Reconstructive and Aesthetic Surgery of the nose and face, Nijmegen, the Netherlands
 Topic : Transposition flaps

2005

May 6th International Course Reconstructive and Aesthetic Surgery of the nose and face, Nijmegen, the Netherlands
 Topic : Transposition flaps

September Annual Conference European Academy of Facial Plastic Surgery, Florence, Italy
 Topic: Ethics and Facial Plastic Surgery
Skin Cancer Clinical Experience with 1000 patients presented by P. van Eerden
A Comparison of Septal Batten Grafts and Septal Batten Cartilage replacement, presented by R. André
The Use of Sub-Alar Batten Grafts in Rhinoplasty, presented by T.D. Zylker

October 12th International Course in Modern Rhinoplasty Techniques, AMC, Amsterdam
 Topic: Alar Reconstruction

November Dutch Society of Otolaryngology Head and Neck Surgery, Nieuwegein
 Topic: Treatment of internal nasal valve insufficiency with butterfly graft, presented by R. André

2006

- May 9th International Symposium of Facial Plastic Surgery Las Vegas, USA
Topic: Ethics in Facial Plastic Surgery
- June 7th International Course Reconstructive and Aesthetic Surgery of the nose and face, Nijmegen, the Netherlands
Topic : Transposition flaps
- Ethics and Esthetics: Gooi Noord Hospital, Grand Round
Topic : Ethics and Esthetics
- November Dutch Otolaryngology Society Meeting, Nieuwegein, the Netherlands, H.D. Vuyk, R. André
Topic : Septal Battens and Major Septal Replacement a Clinical Comparison

2007

- April Dutch Society of Otolaryngology and Head and Neck Surgery.Groningen.
Topic: Ethics and Morals, an introduction.

2008

- May 7th International Course Reconstructive and Aesthetic Surgery of the nose and face, Nijmegen, the Netherlands
Topic :Transposition flaps
- September European Academy of Facial Plastic surgery meeting Dusseldorf, Germany.
Topic: Ethics in Facial Plasic Surgery
- October Rhinoplasty course AMC Meet the masters again
Topic: The art of healing

2009

- Januari European course on Dermato surgery. Eindhoven, the Netherlands
Topic: Secondary intention healing and other methods for alar reconstruction
- March Winter meeting European academy of facial plastic surgery.Flims Laax Switserland
Topic: Alar reconstruction
The art of healing

- Trends in Septal surgery
Temporalis Fascia grafts in nasal dorsal augmentation presented by M.Wouters
Periosteal pedicled flap ,its role in nasal reconstruction presented by C.Farris
- March University Otolaryngology Department Meeting Zurich,Switzerland
 Topic: Alar reconstruction
 -The art of healing
- June 11th International Course Reconstructive and Aesthetic Surgery of the nose
 face. Nijmegen, the Netherlands
 Topic :Transposition flaps
- June Belloq meeting
 Topic :- The art of healing
